

# INFINITY

WATER SOFTENERS

## TECHNICAL DATASHEET

### FEATURES

High Efficiency

Large Salt Capacity

High Hardness Capacity

Durable

Tablet Salt

|                      |                                |
|----------------------|--------------------------------|
| Product Code         |                                |
| <b>Dimensions</b>    |                                |
| Size (w x d x h)     | 290 x 689 x 691 mm             |
| Weight               | 41kg Shipping / 54kg Operating |
| <b>Performance</b>   |                                |
| Minimum Flow         | 1.1 l/min                      |
| Maximum Peak Flow    | 45.4 l/min                     |
| <b>Regeneration</b>  |                                |
| Volume               | 26.5 L                         |
| Time                 | 11minutes                      |
| Salt Used / Capacity | 0.45 / 25 kg                   |
| <b>System</b>        |                                |
| Operating Pressure   | 1.0 / 8.6 bar                  |
| Media Volume         | 2 x 11 litres                  |
| Maxium Temperature   | 23°C                           |
